O R D E R

Alleging that respondent No.5 is harassing the petitioner and his family at the behest of respondents 6 and 7 and that he is interfering into the civil disputes, without following the due process of law, this Writ Petition has been filed.

2. Sri G. Anil Kumar, learned counsel representing the learned counsel for the petitioner submitted that the petitioner is the purchaser of the subject land in the year 2023 and has been in peaceful possession of

the same since then and at the behest of respondents 6 and 7, the respondent police are interfering.

3. The learned counsel for the petitioner moved a lunch motion today stating that there is a standing paddy crop in the field and that the unofficial respondents 6 and 7, with the help of the official respondents, are going to damage the said paddy crop. Taking the same into consideration, this Writ Petition was allowed to be taken up as a lunch motion.

4. Leaned Assistant Government for Home Sri D. Pradeep submitted that the unofficial respondents have given a complaint on 23.11.2026 at 15:30 hours against the petitioner and his family members that they are interfering with their possession of the subject property and that they have also removed the electrical wire of the bore well and that they have trespassed into the land. It is submitted that except for conducting an enquiry into the said complaint, the respondent police are not interfering into their civil disputes.

5. In view of the above submissions, it appears that the possession of the subject property and also as to who is cultivating the said paddy crop are in dispute and it is a civil matter which has to be determined by a

competent civil Court. When it was put to the learned counsel for the petitioner that this Court would pass an order not allowing either the petitioner or the unofficial respondents to interfere with or cut the paddy crop till the issue of possession over the subject property is resolved, he agreed for the same.

6. In view of the above, this Court directs the respondent police not to interfere into the civil disputes of the parties and the petitioner and unofficial respondents 6 and 7 shall be relegated to the civil Court about their possession over the subject property.

7. With the above directions, the Writ Petition is disposed of. No order as to costs.

8. Pending miscellaneous petitions, if any, in this Writ Petition shall stand closed.
