% **ORDER**
22.09.2010

This petition for quashing of FIR has been made on the basis of compromise arrived at between the parties. The husband was arrested by police in this FIR in January, 2008 and he is in jail since then. He was granted bail, but did not furnish surety. He even refused to file personal bond. However, he has entered into a compromise with his wife and seeks quashing of FIR on this ground. On going through the record of trial Court it is found that he is in judicial custody in some other case also. Since he has compromised with his wife and wife does not want to further prosecute the case the petition is allowed. FIR No. 274/2006, P.S. Bawana, registered u/sec 406/498A/34 IPC and the criminal proceedings emanating there from, are hereby quashed.
