This petition under Section 482 Cr.P.C has been preferred by the petitioners for quashing the FIR No.243/1999 under Sections 498A, 406 read with Section 34 of IPC registered with police station Sadar Bazar, Delhi on the ground that the parties have inter se compromised the matter.

The present FIR was outcome of matrimonial discord between the parties and after registration of FIR, a settlement took place between the parties and the lumpsum amount, as agreed between the parties has been paid. Rs.30,000/- has been paid today in the court today and the remaining amount of Rs.60,000/- has already been received by the complainant earlier.

The complainant is present in the court being identified by her counsel. I have made enquiries from her and she concedes to the settlement and does not want to pursue the present FIR.

In view of these submissions, the petition is allowed and FIR No.243/1999 under Sections 498A, 406 read with Section 34 of IPC registered with police station Sadar Bazar, Delhi and all the proceedings emanating therefrom qua petitioners are hereby quashed.

The petition stands allowed.
