This petition has been filed for quashing of FIR no. 174 of 2009, P.S. Roop Nagar, registered under Section 326 IPC on the ground of compromise.

A perusal of FIR shows that the injured was beaten black and blue as he refused to undertake electrical repair work of the petitioner. Considering the nature of accusation, I consider that it would be appropriate if the petitioner is directed to execute a bond of good behavior instead of quashing the FIR on the basis of compromise.

The petitioner is directed to execute a bound of good behavior for a period of two years in the sum of ₹ 50,000/- with one surety in the like amount to the satisfaction of trial court. The petitioner shall maintain peace and good behavior during this period. The Probation Officer shall file a report every six month about his conduct. In case it is reported that he is involved in some crime, this FIR shall stand revived.

The petition stands disposed of.
