This petition under Sections 482/483 Cr.P. C has been preferred by the petitioner for giving directions to the trial court to allow the petitioner to take certified copies of evidence, ordersheets and other court record.

I consider that since the petitioner is complainant in this case and father of deceased victim, the trial court ought to have allowed his application for furnishing certified copies of evidence and other documents, as sought by the petitioner.

In view of the submissions made therein, the petition is allowed and the trial court is hereby directed to allow the application of the petitioner for taking certified copies of trial court record, as sought by the petitioner in order to keep track of the trial of the case as well as to assist learned public prosecutor. The petitioner would also be at liberty to engage a counsel to assist the learned public prosecutor.

The petition stands disposed of with above directions.
