W.P. (CrI.) No. 1781/2010

Petitioner was granted parole for 10 days on medical ground by a Single Judge of this Court vide order dated 16th September, 2010 passed in W.P. (CrI.) No. 289/2010, subsequently, parole period was extended by another 15 days vide order dated 9th November, 2010 passed in CrI. M.C. No. 3483/2010, parole period was again extended by another 10 days vide order dated 24th November, 2010 passed in CrI. M.C. No. 3654/2010.

relevant medical papers shows that the date of operation has been fixed on request of the petitioner. If the condition of petitioner is so critical he could have been operated during the last one month, during which period he was on parole. Prior to his release petitioner had been receiving medical treatment in the jail hospital, inasmuch as he was also treated in AIIMS.

I do not find any justification to extend the parole period of the petitioner any further. Petitioner shall surrender before the Jail Superintendent on expiry of parole period. However, while in jail he shall be provided further medical treatment and if need be he may be taken to AIIMS by the jail authorities, for his treatment. This writ petition is dismissed. A copy of the order be sent to Superintendent Jail.
