RFA No.250/09 and C.M. No.479/2011

During the course of hearing, the appeals have been agreed to be disposed of by an agreed order. It is agreed between the parties that instead of making payment of interest @ 10% as granted by the impugned judgment and decree, the interest is reduced to 8% per annum simple from the date as granted by the impugned judgment and decree. I may note that counsel for the appellants states that the principal amounts of the bills have already been paid to the respondent. If that is so, the appellants will be entitled to adjustment with respect to the amounts paid.

Since the appellants have deposited amounts in this Court, 80% of the amounts deposited alongwith accrued interest thereon will be paid to the respondent in satisfaction of the money decree and 20%
