The state has verified the fact of the marriage and it is stated before me that the marriage was solemnised on 21.03.2013, on the basis of bone ossification certificate issued by Mittal's Diagnostic Centre wherein it is certified that the age of petitioner No.2 is between 17 to 19 years. The petitioner No.2 is present in the Court. The petitioners do not have any apprehension or threat to their lives and it has been so stated before me by them.

The petitioners also have prayed for quashing of the FIR. The

learned additional standing counsel for the State has filed a copy of the statement dated 16.02.2013 under section 164 of the Cr.P.C. given by petitioner No.2 wherein she has stated that she married petitioner No.1 out of her own free will and left the parental house at her own will. The complainant is also present in the Court and affirms the statement. In the light of this statement nothing survives and accordingly the FIR is quashed and the writ petition is allowed in those terms.
