ORDER

%

22.07.2013

The present writ petitions have been filed praying for a direction to the respondent to take necessary action for regularisation and de-sealing of the demised premises.

Learned counsel for the petitioners states that despite a Division

2

Bench of this Court directing the respondent on 12th December, 2011 to dispose of the petitioners' representations within twelve weeks, the respondent has, till date, not decided the petitioners' representations dated 30th December, 2011.

Since despite service of advance copy of the petitions and a pass over none is present for the respondent, this Court has no other option but to proceed ahead with these matters.

Consequently, the present writ petitions and pending applications are disposed of with a direction to the respondent through its Estate Officer to dispose of the petitioners' representations dated 30th December, 2011 within six weeks from today.

Learned counsel for the petitioners is directed to supply a copy of this order to the Estate Officer within a period of one week.

With the aforesaid observations and directions, both the writ petitions and applications stand disposed of.
