ORDER (CAV)

[1] This PIL was taken up by this court on the basis of a letter dated 24-01-2019 addressed to the Hon'ble the Chief Justice High Court of Manipur by the Thoubal River Conservation Committee, Thoubal.

[2] Their grievances are inter – alia that this Thoubal River has been feeding a large number of villages with water since the time immemorial but because of the sand mining, the river is running muddy and turbid rendering its water unconsumable for the people. Its turbid water obstructs sunlight from reaching the bottom of the river resulting in the death of plant and zooplankton and their decaying remains attract bacteria making the water rot and smelly. The biological, chemical and geographical structures of the river get severely damaged. The polluted water makes the people prone to water borne diseases. Despite their repeated requests being made to the concerned authorities, had fallen on their deaf ears. Accordingly, this court was approached with certain as detailed in the letter.

[3] On 2.07.2019, this court appointed Shri A. Mohendro, Advocate and Ms. Harichhaya, Advocate as amicus curiae to assist the court.

After having heard the learned counsel appearing for the parties and having considered the gravity of the problems being faced by the people of Thoubal and the people in general, this Court expanded the scope of this PIL to cover all the rivers in the State and this Court, by way of an interim measure, issued the following directions: (a) There shall be a total ban in respect of unauthorised stone quarry, sand mining, river pollution etc. in all the rivers in the State and no one shall carry out any such activities towards stone quarry, sand mining, river pollution etc., except in case where a licence or lease is granted in accordance with law;"

[4] On 20.11.2019 an application (MC PIL NO. 6/2019) has been filed by the applicants praying to issuing a direction to the authority concerned to release their seize vehicles.

One of the submissions made by the applicants is that they had been doing the business of selling sand and stone to the public after collecting the same from the homestead lands belonging to private individuals who reside at Yairipok, Manipur.

[5] The applicant have not produced materials to support their contention except copies of jamabandi.

This court allow the application with the direction that

1. the applicants shall not carry on the business of lifting sand and stone for selling until the permit is issued by the state government in accorded with law and
2. the applicants shall co-operate with the investigation.
3. the applicants shall deposit a sum of rs. 5000/- each
4. the direction above shall complied with within 2 weeks from the date of receipt of copy of this order.

[6] Various misc. cases were filed seeking for releasing the seized vehicles and the case of the petitioners/applicants are that the vehicles were seized by the respondents without registrating FIR against them under the Manipur Minerals (Prevention of Illegal Mining, Storage & Transportation) Rules, 2018.

Mr. Lenin Hijam, learned AG, Manipur, submitted that as per the Act, the relief sought for by the applicants ought to have been filed before the special Court.

Respondents are directed to file an affidavit whether any FIR was registered or initiate criminal proceedings against the applicants and the said affidavit is to be filed on or before 23.02.2023. In case the respondents have not registered any FIR or initiate criminal proceedings, as stated above, this court will consider the matter of releasing the vehicle on the next hearing.

Considered the submissions of the learned counsels for the parties and perused the documents on record including the original file submitted by the State Government.

[7] Vide order dated 02nd November 2022 the Governor of Manipur in exercising power conferred by sub-section (1) of section 30B of the Mines and Minerals (Development and Regulation) Act, 1957 has constituted a Special Court (MMDR) Manipur, for the purposes of providing speedy trial of offences.

[8] Vide order dated 18th November, 2022 the Governor of Manipur in exercising power conferred by sub-section (2) of section 30B of the Mines and Minerals (Development and Regulation) Act, 1957 and after consultation with the Hon'ble High Court of Manipur, designate the District and Session Judge, Thoubal as Judge of the Special Court (MMDR), Manipur.
