

Court No. - 43

Case :- CRIMINAL MISC. WRIT PETITION No. - 15280 of 2023

Petitioner :- Jagveer And 17 Others

Respondent :- State Of U.P. And 3 Others

Counsel for Petitioner :- Zia Naz Zaidi,Arbaz Danish

Hon'ble Anjani Kumar Mishra,J.

Hon'ble Donadi Ramesh,J.

1. Heard the learned counsel for the petitioners at length and learned A.G.A.

2. The writ petition seeks the following relief:

"Issue a writ, order or direction in the nature of certiorari quashing the Remission Policy dated 27.05.2022, Clause/Paragraph 2 (Chaa) of policy dated 27.05.2022 which mandate that the triple murder (3 + murder) cases in one offence are not entitled to premature release."

3. From the relief quoted above, it is clear that challenge in the petition is to a policy of the State Government.

4. We are of considered opinion that the policy is not justiciable. Despite a pointed query about the maintainability of this petition, counsel for the petitioners is not able to produce any material which would even, *prima facie*, show that the instant petition is maintainable.

5. Under the circumstances, petition is dismissed as not maintainable.
