Hon'ble Ashwani Kumar Mishra, J.

Hon'ble Syed Aftab Husain Rizvi, J.

Petitioners appeared to have been allotted a house by the respondent Nagar Nigam under some policy of the Government to relocate the displaced persons. It is asserted by the petitioners that they are living in the premises for last more than 20 years and have also paid the entire consideration warranted to be deposited by them for execution of transfer deed. It is urged that the authorities are not executing transfer deed and are acting arbitrarily in the matter.

Sri Arun Kumar, appearing for the Nagar Nigam states that petitioners have been informed of the dues payable by them, and in the event they deposit the same, their claim for execution of transfer deed would be considered as per law.

Learned counsel for the petitioners, in reply, submits that the amount due and payable towards the property in question has already been deposited.

Be that as it may, in the facts of the case, it would be appropriate to permit the petitioners to represent their grievance before respondent no.2, annexing all relevant materials in support of their claim, alongwith a certified copy of this order, within two weeks from today. The second respondent shall get the petitioner's claim examined, in accordance with law, by passing an appropriate reasoned order, within a further period of two months, thereafter. All consequential action shall be taken in terms of such determination, without further loss of time.

With the above observations/directions, this writ petition stands disposed of.
