Supplementary affidavit filed by the learned counsel for the petitioner is taken on record.

This Court had passed the following order on 25.07.2023:-

"Learned counsel for the petitioner submits that no revision number has been provided to the petitioner which is apparent from the notice issued to the petitioner annexed as annexure no.8 to the writ petition and the information sought under the Right to Information Act.

He further submits that revision has been heard finally on 06.07.2022 but final order has not been passed till date. He prays for and is granted a week's time to file supplementary affidavit bring on record a copy of application given under the Right to Information Act.

In the meantime, Shri Upendra Singh, learned Additional Chief Standing Counsel shall seek instructions in the matter as to why the revision has not been decided till date.

List on 07.08.2023."

Learned Additional Chief Standing Counsel, on the basis of instructions, submits that the revision filed by the petitioner has been disposed of by means of the order dated 12.12.2023 and it could not be disposed of earlier because the petitioner had not appeared despite notices given to the petitioner for the dates 25.09.2023, 01.12.2023 and 12.12.2023, whereas learned counsel for the petitioner disputes the same. However, since the revision has been disposed of, therefore this petition is disposed of in terms of the statement of learned Additional Chief Standing Counsel leaving all the grounds open to the petitioner, if the order passed in the revision is required to be challenged.

A copy of the order has been provided to the learned counsel for the petitioner.
