ORDER

02.12.2024

Heard Mr. R. Islam, learned counsel for the applicant who submits that by filing this application, the applicant seeks condonation of 133 days delay in filing the connected restoration application i.e., MC No. 82/2024. The learned counsel by referring to the application submits that it was on account of medical condition of the counsel for the applicant as well as the applicant himself that the restoration application could not be filed on time. The learned counsel submits that unless the delay is condoned, the applicant will suffer irreparable loss and hardship.

Mr. S. Datta, learned counsel appearing for the Revenue, Disaster & Management Department submits that he has no objection if the delay is condoned and he submits that the matter may be considered on merit.

Considering the above submissions, the delay in filing the restoration application stands condoned.

I.A accordingly stands disposed of.
