At the time of hearing, Learned Counsel for the petitioners drawn the attention of the Court that the present petitioners against the advertisement dated 05.09.2024 for the post of constable (GD) in Central Armed Police Forces (CAPFs) **(Annexure-A)** applied for those posts and after scrutiny of their applications, admits cards were issued in favour of the petitioners along with other eligible candidates, directing them to appear for written examination (computer-based examination) scheduled to be held on various dates w.e.f. 04.02.2025 to 25.02.2025. After issuance of the admit cards, the petitioners along with other eligible candidates appeared for the written examination on their

respective scheduled dates. On 17.06.2025, the result of the written examination was declared and the petitioners were duly qualified in the said examination. After that according to Learned Counsel, on 12.08.2025 although it was signed on 08.08.2025 **(Annexure-2)** DIG Recruitment CRPF vide No.F.No.A.VI-1/2025-Rectt(SSB)-CT/GD-2025 issued one notice **(Annexure-2)**. For the sake of convenience, the relevant portion of notice is mentioned herein below:

(Reference: SSC write up No. HQ-C-3007/5/2025-C-3 dated 17/06/2025)

Referring the same, Learned Counsel for the petitioners, Mr. Majumder submitted that although the same was signed on 08.08.2025 but actually it was uploaded in the website on 12.08.2025 wherein it was directed by the respondent-authority for physical efficiency and physical standard test scheduled to be held w.e.f. 20.08.2025 to 28.08.2025 and to appear for those tests at Mizoram. It was further submitted that since from the year 2012-2024 in such type of examination, the physical standard test and physical efficiency test used to be taken at Agartala for the candidates of these region. But this time,

the authority selected the place at Mizoram, Aizawl and the altitude of Agartala, Tripura and the altitude of Mizoram are totally different, resulting which when the petitioners appeared for the said tests, they developed certain physical discomforts and although they appeared in the exam but due to breathing and some other problem, they could not qualify the exam, resulting which the present petitioners have been seriously prejudiced and submitted that the 'doctrine of legitimate expectation' was not been followed in this case. According to Learned Counsel, if such type of examination could take place at Agartala, in that case there was every possibility that the petitioners could qualify the physical standard test and physical efficiency test but for choosing the venue at AR Aizawl, 34 Assam Rifles, Aizawl, Mizoram the petitioners became unsuccessful in the exam for which they have compelled to file this writ petition before this Court praying for revocation/rescind of the impugned notification dated 08.08.2025 **(Annexure-2)**. It was further submitted that in this matter Assam Rifles was not a necessary party because the examination was conducted by SSC. So, Learned Counsel for the petitioners urged for allowing this writ petition and to quash the notification dated 08.08.2025 (Annexure-2).

On the other hand, Learned DSGI, Mr. B. Majumder on behalf of respondent Nos.1, 4 & 5 appeared and submitted that this writ petition was not maintainable because Assam Rifles was not made party in this case and furthermore, all the present petitioners appeared in the physical test and after that they got

disqualified and after disqualification, they have approached this Court with the reliefs they sought for which at this stage, cannot be considered and urged for dismissal of this writ petition. It was further submitted by Learned DSGI that petitioner ought to have seek redress before the ensuing date of examination that is prior to 20.08.2025. So, after the test and also after appearance in the test, no cause of action lies with the petitioners to seek any redress before this Court. So, Learned Counsel urged for dismissal of this writ petition.

I have heard both the sides and perused the relevant papers. It is the admitted position that the present petitioners after appearing in the physical standard test and physical efficiency test which took place on and from 20.08.2025 to 28.08.2025 where they could not qualify the test, approached this Court seeking redress.

Thus, it appears to this Court that the petitioner have failed to make out any case in their favour for interference by this Court and this Court does not find any scope to entertain this writ petition in absence of any valid cause of action and accordingly, the same stands dismissed. However, no order is passed as to costs.

Pending application(s), if any, also stands disposed of.
