BEFORE
HONOURABLE MR. JUSTICE SOUMITRA SAIKIA

ORDER

31.08.2026

Heard learned counsel for the parties.

The petitioners before this Court have assailed the OM dated 23.09.2022 (Annexure-9 in W.P(C) No. 925/2023) whereby the benefit earlier given for retention of the General Pool Residential Accommodations was sought to be withdrawn beyond 30.06.2026. Being aggrieved, the writ petitioners have filed their representations which are pending before the departmental authorities.

The further grievance is that since the writ petitioners are entitled to the benefits which were earlier given and which is sought to be recalled by the impugned notification, no coercive or penal rent is to be imposed on the petitioners beyond the dates as specified in the impugned notifications as have been sought to be done. This Court while issuing Notice vide order dated 17.02.2023 directed that the impugned order would be considered on the Returnable date and subsequently by order dated 29.03.2023, this Court in the interim directed no coercive action be taken against the petitioners in terms of the OM dated 06.10.2022. This interim order still subsists as the same was extended from time to time.

The primary grievance of the writ petitioners are that in terms of the Central Government General Pool Residential Accommodation Rules 2017 which was notified on 16.06.2017, as per Rule 43 of the said Rules, the retention was granted to the allottees of GPRA at their last place of postings in case of their posting to different non-family stations, for bonafide use of their family members under

different guidelines of the Government of India issued from time to time and which will be restricted to a maximum of three years. Accordingly the petitioners who have been posted in different station in the North East which are non family posting, had availed of the benefits under Rule 43 of the Rules of 2017.

While the matter was situated thus, by the impugned office memorandum dated 06.10.2022 this benefit was sought to be taken away and no fresh retention at the last place of posting was sought to be granted to Group "A" Officers including AIS Officer with immediate effect in case of their posting to North Eastern Region including Sikkim. However facility for such retention was however available to non-family stations in Jammu Kashmir, Ladakh, Andaman & Nicobar Islands, Lakshadweep and LWE (Left Wing Extremist) area from time to time. The Officers who are posted in the North East Region including Sikkim, who were earlier extended, the service benefits will be deprived once the benefit is withdrawn. They were asked to vacate the accommodation latest by 31.03.2023.

The petitioners thereafter filed respective applications/ representations before the authorities requesting for withdrawal of the said office memorandum. The same however not being done, the present writ petitioners have approached this Court by filing the writ petitions.

The learned Senior counsel appearing for the petitioners submits that this Office Memorandum could not have been issued seeking to take away the benefits which were not conferred by the Rules of 2017 without there being a proper amendment brought into the Rules more particularly in terms of Rule 43. He submits that in the face of Rule 43, the OM dated 06.10.2022 could not have been issued seeking to take away the benefits conferred by the Rules and asking the petitioners to vacate the premises by 31.03.2023. It is therefore submitted that if there is a conflict between the OM and the Rules, it is the Rules framed by the proper authorities which will prevail. The further submission by the learned senior counsel for the

petitioners is that this benefit which was otherwise extended to the officers posted in the North Eastern region including Sikkim was sought to be withdrawn by the impugned OM dated 06.10.2020, whereas the same benefits however was continued to be extended to other officers posted in other non family station like J&K, Ladakh, Andaman & Nicobar Island, Lakshadweep and Left Wing Extremist Areas. This according to the petitioners is arbitrary as the writ petitioners also belong to Central Armed Police Forces (CAPFs) and are also rendering services in non-family stations in the northeast while their counterparts posted in the other areas are given the benefits while the same is sought to be taken away from the present writ petitioners. It is therefore submitted that the impugned OM dated 06.10.2022 be interfered with and set aside and the petitioners be permitted to continue to avail the benefit under Rule 43 of the Rules of 2017.

The respondents have contested the matters by filing their affidavits and have stated that this is a policy decision by the Government and therefore there is no arbitrariness which calls for any interference by the Court.

During the course of the hearing, a reference was drawn to the OM dated 30.03.2026 which was brought on record by filing an additional affidavit by the writ petitioners. In terms of the said OM, there is a proposal which is under consideration permitting the CAPF personnels posted in non-family stations to permit them to retain their General Pool Residential Accommodation until 31.05.2026 as a one-time settlement measure. It is submitted that this office memorandum as is revealed from a plain reading of the OM is presently under consideration before the appropriate department and no final decision has yet been undertaken. It is submitted that as per the OM dated 31.03.2026 if the benefit of one-time settlement is granted to the petitioners until 31.05.2026 for retention of the General Pool Residential Accommodation then the writ petitioners would not like to press their grievances assailing the OM dated 06.10.2022 which is impugned

in the present proceedings.

On instructions, the learned senior counsel appearing for the petitioners submits that if the benefits as sought to be given to the petitioners by the OM dated 31.03.2026 are indeed extended to the petitioners allowing them to retain the GPRS till 31.05.2026 as a one time settlement measure, then the writ petitioners are agreeable to accept the same and would like to vacate their premises within a period of 45 days from the date of the order today. It is further submitted that since the proposal is under consideration, the department should not impose any penal rent on the petitioners till 31.05.2026 as reflected in the OM dated 30.03.2026 and any penal rent thereafter if deemed proper may be imposed by the respondents. The petitioners would vacate the premises within 45 days, if not already vacated, from today.

Mr. R.K.D Choudhury, learned DSGI on the other hand submits that no decision as on date has been taken in respect of the OM dated 30.03.2026. This is a mere proposal which is presently under consideration and therefore as on date no decision has been taken by the respondent department in respect of the benefits sought to be conferred by OM dated 31.03.2026.

Considering the submissions made by the petitioners and also considering the OM dated 30.03.2026, it is seen that the said OM is presently under consideration for grant of one time settlement benefit to the CAPF personnel for retention of their GPRA until 31.05.2026. This proposal is acceptable to the writ petitioners and they are also agreeable to vacate their residential quarters within 45 days, if not already vacated, from today if this benefit which the respondents authorities presently under consideration, is conferred on the writ petitioners.

Upon due consideration of the submissions of the learned counsel for the parties and the various circulars and OM issued, it is seen that as on date, since no final decision has been taken by the respondent authorities yet and also since there is

no dispute that presently the proposal of one time settlement as projected by OM dated 30.03.2026 is under consideration, this Court is of the view that these petitions can be closed directing the respondent authorities not to impose the penal rent on the writ petitioners till 31.05.2026 in terms of the OM dated 30.03.2026 till such time a final decision is taken by the respondent authorities.

The respondents are at liberty to impose any penal rent beyond 31.05.2026 on the writ petitioners till the vacation of their quarters and in view of the submissions coming from the petitioners, they will vacate the quarters by 17.10.2026, if not already vacated, and hand over the premises to the controlling officers of the respondent authorities.

Considering the fact that this order has been passed closing the writ petitions taking into account the OM dated 30.03.2026 on which no final orders have been passed, the legal issues raised in these proceedings and the validity of the OM dated 06.10.2022 are left open to be decided in any appropriate proceedings if the grievances of the writ petitioners still subsists.

With the above directions, the writ petitions stand disposed of. Pending I.As if any are also dismissed.
