DATE : SEPTEMBER 08, 2026

PER COURT :

1) Heard.

2) Though the petitioner has prayed for registration of an offence against the intervenor on the basis of the report dated 27.01.2020, but today the learned A.P.P. placed on record the communication dated 03.02.2026 along with the report dated 12.11.2025 mentioning that the Government has conducted the Departmental Enquiry against the intervenor for the

accusation that he paid an extra amount of Rs.37,50,05,051/- to the concerned farmers for acquisition of land under National Highways Act, 1956. The said communication and report are taken on record and marked 'X' collectively for identification.

3) On going through the said report, it is clearly evident that even after thorough enquiry, no such accusation is proved against the intervenor.

4) Learned A.P.P. further submits that the report of the Departmental Enquiry had already been forwarded to the concerned Minister and the said report may either be accepted or further enquiry may be directed.

5) Therefore, when the grievance of the petitioner in this petition is already dealt with, we do not find any necessity to issue further directions in the matter. Therefore, we **dispose of** the present Criminal Writ Petition, subject to the final outcome of the report of the Departmental Enquiry against the intervenor.
