ORDER

(Order of the Court was made by G.Arul Murugan, J.)

The Residents Association of MRC Nagar have come up with the present writ petition complaining that due to haphazard and unauthorised parking of vehicles by various commercial establishments and, in particular, the impleaded 4th respondent school, the residents are unable to have free access to their houses and it results in heavy traffic congestion.

2. Learned Senior Counsel appearing for the petitioner-Association fairly submitted that after the filing of the writ petition, the police

authorities have addressed the sanitation and traffic issues, by removing the unauthorised shops put-up on the road side. However, he submits that some of the residents are still aggrieved by the parking of auto-rickshaws and vans which come to the 4th respondent school.

3. Learned counsel appearing for the impleaded 4th respondent submits that the school is exerting its best efforts to ensure that there is no traffic issues and they are also co-operating with the police authorities to regulate the same.

4. Learned Government Advocate appearing for the 2nd and 3rd respondents submits that the complaint submitted by the petitioner is looked into and most of the grievances have been addressed. He also submits that action is being taken, regarding parking issues near the school.

5. In view of the submissions made, and also considering the fact that the petitioner's representation has been acted upon by the authorities, whereby the unauthorised shops were removed and sanitation issues were addressed, we leave it open to the 2nd and 3rd respondents to take effective steps to ensure that the traffic issues around the adjoining areas of the 4th respondent school stand resolved.

6. With the above observations, the writ petition is disposed of.

There shall be no order as to costs.
