against the decree for recovery of money, the petitioner filed execution petition in EP No.43 of 2020 seeking to recover Rs.29,98,664.50. The Executing Court reserved Orders and in fact, allowed the Execution Petition. However, the petitioner states that he is unaware of the Executing Court reducing the quantum to Rs.8,50,000/- which he came to know only after the order uploaded in the E-courts. Immediately, the petitioner has filed the present revision. However, in the interregnum period, the delay of 129 days has occasioned. The reasons set out in the affidavit filed in support of the petition seeking condonation of delay are acceptable and also bonafide.

Accordingly, CMP No.8364 is ordered and the delay is condoned.

Registry is directed to number the revision, if it is otherwise in order, and post the revision for admission on 20.8.2026 by printing the name of the respondent
