Writ of Mandamus has been instituted seeking a direction to the respondents to conduct a Survey of total extent of Ramapuram Lake in S.F.No. 239/2A, Ramapuram, Chennai with aid of the respondents and prepare a chart and register pointing out the boundaries of the Lake for the purpose of identifying the limits of Lake as per Section (6) of the Tamil Nadu Protection of Tanks and Eviction of Encroachment Act, 2007 and after Surveying the same handover the report to the Superintending Engineer as referred to in Section (6)(2) of Tamil Nadu Protection of Tanks and Eviction of Encroachment Act, 2007 and on such handing over the chart and register, publish a notice in such manner prescribed or pointing out the boundaries of the tank by taking into consideration of the G.O.Ms.No.293 issued by the Revenue (NI.MU.5(2) Department dated 13/05/2005 excluding the Lands bearing T.S.No. 239/2 Part to an extent of 1.66 Hectares and Consequently not to take action against the Petitioners' peaceful possession and enjoyment of the property situated at VOC Street, Thirumalai Nagar, Ramapuram, Chennai respectively.

2. The relief as such sought for in the present Writ Petitions is misconceived and cannot be granted. The claim of the petitioners are that they are in possession of the portion of land adjacent to Ramapuram Lake. It is contended that the Authorities have taken a decision that the lands under

the occupation of the petitioners falling under lake area and proposed to initiate eviction proceedings under the Tamil Nadu Protection of Tanks and Eviction of Encroachment Act, 2007. However, the enforcement actions are yet to be initiated by following the procedures. Thus, the Writ Petitions are pre-mature. Even on receipt of notice, if any, issued by the competent Authority, the aggrieved encroachers have to submit their explanations along with the documents, if any, to the Authority, who in turn is bound to consider the same and take final decision to proceed with the enforcement actions in the manner contemplated under the Act and Rules.

3. The learned counsel for the petitioner would submit that the show cause notice has been issued by the Corporation under the Chennai Corporation Act. However, if it is the water body, eviction proceedings are to be initiated under the Tamil Nadu Protection of Tanks and Eviction of Encroachment Act, 2007 by the competent Authority of Water Resources Organization of the Public Works Department.

4. May that as it be, this Court is of the considered view that the Authorities are bound to conduct inspection and survey the subject land and identify the encroachments, if any, in the water body (lake area) and thereafter initiate appropriate action for eviction of encroachment by following the procedures as contemplated. If it is a water body, then relevant statute applicable is to be pressed into service for initiation of eviction proceedings.

The petitioners are at liberty to defend their case on receipt of any further notice from the competent Authority.

5. Accordingly, these Writ Petitions are **dismissed**. No costs. Consequently, WMP.Nos.12170, 11986, 12188, 11703, 11995, 11739 and 11736 of 2022 praying to permit the petitioners to join together and file a single Writ petition are ordered and the other connected miscellaneous petitions are closed.
