3. According to the petitioner, she is the absolute owner of the property morefully described in the prayer to this writ petition. It is her case that based on the representation of the 4th respondent, the official respondents, namely respondents 1 to 3 are attempting to conduct survey in the petitioner's property. According to the petitioner, the same is therefore illegal. She had given a representation on 17.03.2026 to the respondents 1 to 3 raising objections with regard to the proposed survey over the petitioner's property based on the representation of the 4th respondent.

4. Till date, the survey and demarcation of boundaries has not been commenced by the respondents 1 to 3 over the property morefully disclosed in the prayer to this writ petition. Even before a final decision is taken by the respondents 1 to 3 with regard to the 4th respondent's request for survey and demarcation of boundaries, the petitioner has approached this Court prematurely by filing this writ petition. However, necessarily, the objections raised by the petitioner through her representation dated 17.03.2026 have to be considered by the respondents 1 to 3 before taking a final decision as to whether the survey and demarcation of boundaries

can be done or not.

5. Since this writ petition has been prematurely filed, this Writ Petition is disposed of by directing the respondents 1 to 3 to consider the petitioner's representation, dated 17.03.2026 raising objections with regard to the proposed survey of the property morefully described in the prayer to this writ petition, based on the 4th respondent's representation, on merits and in accordance with law, and only thereafter, a final decision can be taken by the respondents 1 to 3 to survey the subject property based on the 4th respondent's representation. In case, the objections of the petitioner as raised in her representation, dated 17.03.2026 is rejected by the respondents 1 to 3, the rejection order should contain reasons as to why the petitioner's objections are rejected. There shall be no order as to costs. Consequently, the connected miscellaneous petition is closed.
