This Writ Petition is filed for a Mandamus directing the respondents not to construct any lower shed, additional structures, advertisement boards, etc., in pursuant to the representation dated 07.04.2026.

2. The case of the petitioner is that a Bus Stand is now being constructed in front of the petitioner's building and some other buildings in such a way causing hindrance, disturbance and loss to the petitioner and other building owners. The further grievance of the petitioner is that there is no proper parking facility because of the pole structure erected by the Chennai Corporation for the bus stand and that there is no proper way / ramp provided for the vehicles to come into the property. In this regard, the petitioner has submitted a representation to the respondents on 07.04.2026 and since no action was taken, the petitioner has filed the instant writ petition.
