(Order of the Court was made by the Hon'ble Chief Justice)

This revision petition filed under Article 227 of the Constitution of India seeks a direction to the Registrar of the Debts Recovery Tribunal, Coimbatore, to dispose the S.A.No.363 of 2024 on the file of the Debt Recovery Tribunal, at Coimbatore within a time frame.

2. We have gone through the order sheets placed on record and find that the case is progressing. Any direction to expedite a specific case out of turn would disrupt the board of the Tribunal. The petitioner has failed to demonstrate any exceptional circumstance that distinguishes its case from other litigants waiting in queue before the Tribunal. The Tribunal should prioritize cases based on their seniority, nature of urgency and statutory mandate. It is empowered to regulate its procedure and accelerate hearings if a genuine case of urgency is made out. Issuing blanket direction for quick disposal would put undue pressure on the Tribunal and, consequently, the persons who approached the Tribunal earlier would be left at a disadvantaged position.

CRP No.3888 of 2026

3. We are, therefore, not inclined to give such a direction to decide the case within a time frame. However, the petitioner would get liberty to file appropriate application before the Tribunal to expedite the hearing.

4. With this liberty, the revision petition stands disposed of.
