This Civil Revision Petition has been filed seeking direction to the learned Subordinate Judge, Panruti to dispose of E.P.No.125 of 2019 in O.S.No.234 of 1996 on merits within a time frame fixed by this Court.

2. Heard Mr.S.Parthasarathy, learned Senior Counsel appearing for the petitioners.

3. The petitioners are aged 91 and 98 respectively. Even while disposing of an earlier revision petition in CRP No.6580 of 2025 by order dated, 19.12.2025, this court had directed the executing court to dispose of the E.P without seeking any further extension of time and comply with the directions already issued in CRP No.2043 of 2022 as early as on 05.07.2022. However, even thereafter, E.P. has not been taken up and disposed of, as directed by the earlier order as well as the order dated 19.12.2025. In view of the above, on 22.1.2026, the executing court was directed to complete the adjudication in the application under Section 47 by 31.03.2026 and thereafter, decide the E.P. on or before 30.04.2026.

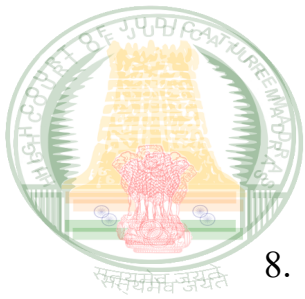

4. The learned Senior Counsel brings to my notice that till date, the Section 47 application has not been disposed of and the executing court is not proceeding the E.P.

5. When this court has given specific directions, not twice, but on three occasions and specifically making in clear that no further extension of time would be granted to the executing court, the executing court ought to have diligently complied with the directions issued by this court repeatedly. Despite the fact that we are in fag end of July 2026, and 3 months beyond the schedule, the executing court, has still, not even disposed of the Section 47 application.

6. In the light of the above, notice to the respondents is dispensed with, since this order is not in any way prejudicing the interest of the respondent,

7. The civil revision petition is disposed of, directing the executing court ***to pass final orders in the Section 47 application, within a period of three weeks from today*** and within a period of three weeks thereafter, the execution petition shall be finally disposed of. It is made clear that under no circumstances, any extension of time from the executing court will not be entertained by this court.

8. With the above directions, this civil revision petition is disposed of.

there shall be no order as to costs.
