The petition has been filed to permit the petitioner to grant leave to file the present modification petition as a third party in WP No. 23176 of 2025.

2. It is submitted by the learned counsel for petitioner that the recording of the submission of petitioner in the order dated 30.06.2025 passed by this Court, stating that one Lingesan, had interfered with the survey officials with the aid of rowdy elements and Police protection may be granted for surveying the subject property. He would further submit that said Lingesan is a Government servant and therefore, his name in the body of the order dated 30.06.2025 causes him grave prejudice.

3. This Court clarifies that in order dated 30.06.2025 it only recorded the submissions made by petitioner, and has not expressed anything on the merits as to the correctness or otherwise of the above submissions made, despite which, petitioner would continue to persist that the above observations ought to be expunged, since it has caused him a tremendous mental trauma/agonny.

4. In view thereof, this court is inclined to clarify that paragraphs 3.2 and 3.3 of the order dated 30.06.2025 is merely recording the submissions of the petitioner, and does not reflect the opinion or the view of this Court as to the conduct or otherwise of said Lingesan.

5. With the above clarification, this leave petition is closed.
