ORDER

The petitioner is before this Court seeking the issuance of a Writ of Mandamus directing the fourth respondent to furnish the NEET 2021 examination scorecard of the petitioner's daughter, pertaining to Application No. 210410166932 and Roll No. 4106003302, or to permit the petitioner's daughter to submit her FMGE application without insisting upon the production of the said scorecard, by considering the petitioner's email dated 25.11.2025 within such period as may be stipulated by this Court.

2. The petitioner states that his daughter appeared for the National Eligibility-cum-Entrance Test (NEET) 2021 conducted by the fourth respondent on 12.09.2021. After publication of the results, the fourth respondent had sent the scorecard of the petitioner's daughter to the petitioner's email ID. Since the petitioner's daughter could not secure the required marks for admission to a medical course in India, the petitioner decided to send her abroad to pursue medical studies. Accordingly, she applied on 05.08.2021 and was admitted to the Medical Faculty, Jalal-Abad State University, Kyrgyzstan, where she is presently pursuing her fifth year of medical studies.

3. The petitioner further states that the scorecard sent to his email ID has been lost and, despite best efforts, could not be retrieved. Therefore, the petitioner made a representation to the fourth respondent requesting them to furnish a copy of the scorecard so as to enable his daughter to appear for the Foreign Medical Graduate Examination (FMGE) conducted by the third respondent.

4. The fourth respondent has stated that the scorecard sent to the petitioner's email ID has been deleted and is no longer available, as the scorecard is preserved only for a period of 90 days, in accordance with the relevant prospectus. However, the petitioner has

6. The scorecard particulars produced in the tabular format reveal that the petitioner's daughter had qualified in NEET (Undergraduate) 2021. In such circumstances, there is no necessity to insist upon the production of the NEET-UG 2021 scorecard, which the petitioner states has been misplaced.

7. In identical circumstances, the Kerala High Court in W.P.(C) No. 44417 of 2025, by order dated 29.11.2025, took a similar view and directed the National Board of Examinations in Medical Sciences to permit the petitioner therein to submit the FMGE application and appear for the examination based on the extracted details provided by the National Testing Agency, without insisting upon the production or uploading of the NEET-UG (2019) scorecard, subject to the petitioner satisfying all other eligibility requirements.
