Versus

.... Respondents

CORAM : HON'BLE MRS. JUSTICE AMARJOT BHATTI

Present: Mr. Akshay Jindal, Sr. Advocate assisted by
Mr. Manav Bajaj, Advocate,
Ms. Kalyani Tehri, Advocate and
Ms. Tanya Sirohi, Advocate
for the petitioner.

AMARJOT BHATTI J.

1. Petitioner Apeejay School through its Principal filed civil revision under Article 227 of Constitution of India against impugned order dated 14.07.2026 (Annexure P-1) passed by learned Civil Judge (Junior Division), Faridabad in civil suit case no. CS/1270/2020 titled "Apeejay School Versus Kritika Jain & Ors.", whereby application filed by petitioner under Section 151 CPC has been wrongly declined without any justification.

2. Learned counsel representing petitioner pointed out that Apeejay School has filed aforesaid civil suit in which their evidence is to be recorded. During the course of evidence, petitioner/plaintiff wanted to produce attested copy of Form VI/Fee Structure of their school issued by Directorate of Education for Academic Session 2014-15, 2015-16 and 2016-17, which bears original acknowledgment of receipt. The original record is maintained in their

office, whereas, same document is required to be produced in other civil suits filed by petitioner/plaintiff. The Court insisted to produce only the original document in evidence and thus, declined the application under Section 151 CPC. Learned counsel representing petitioner/plaintiff pointed out that petitioner/plaintiff is ready to produce original in Court at the time of recording evidence and attested copy of same may kindly be taken in evidence as the same record is to be produced in other civil suits also.

3. I have considered the arguments and have gone through the record carefully. Facts of the case indicate that at present, case is fixed for plaintiff's evidence and in order to prove their version, petitioner/plaintiff wants to place on record Form VI/Fee Structure of their school issued by Directorate of Education for the Academic Session 2014-15, 2015-16 and 2016-17. It is further evident from the pleadings that other civil suits are also filed in which same record is relied upon. In the light of this, original record cannot be retained in one civil suit. Therefore, original/primary record can be produced for the perusal of Court at the time of evidence and attested copy of same can be taken in evidence.

4. In the light of aforesaid factual position, impugned order dated 14.07.2026 (Annexure P-1) passed by learned Civil Judge (Junior Division), Faridabad is not justified and same is, accordingly, set aside and petitioner/plaintiff is permitted to produce original/primary record in Court at the time of record evidence and attested copy of same can be retained in the Court file.

5. With this observation, present civil revision preferred by petitioner Apeejay School is, accordingly, allowed.

6. Pending miscellaneous application(s), if any, shall stands disposed of accordingly.
