1. The present writ petition has been filed seeking the following reliefs:

I. Issue an appropriate writ, order or direction directing Respondent No. 1 to inspect the storm-water drain and the ramp and wall constructed illegally by Respondent No. 3 resulting in obstruction, encroachment & interference with the proper functioning of the said drain and to take appropriate action for removal, modification and/or reconstruction thereof and to restore the drain to its proper and unobstructed condition;

II. Issue an appropriate writ, order or direction directing Respondent No. 2 to **inspect the main sewer line** in the vicinity of the Petitioner's Premises and Property No. D-102 and to examine the hole/orifice created illegally therein by Respondent No. 3 and to take immediate corrective measures, including closure, sealing of the said hole/ orifice and restoration of the sewer line;

III. Issue an appropriate writ, order or direction, including a **Writ of Mandamus**, directing Respondent No. 1 to **inspect, measure and verify the construction of Basement at Property No. D-102, Panchsheel Enclave, New Delhi-110017**, with reference to the sanctioned/approved building plan and the applicable municipal laws, building bye-laws and regulations and to take appropriate action against Respondent No. 3;

IV. Direct Respondent Nos. 1 and 2 to take **effective and time-bound remedial measures within their respective statutory jurisdictions** to ensure proper functioning of the storm-water drainage and sewerage systems and to prevent the recurring waterlogging, flooding and ingress of contaminated sewer water at and around the Petitioner's Premises and the internal road situated in front thereof;

V. Direct Respondent No. 3 to **remove, at his own cost and expense, the illegal ramp and wall constructed by him**, which obstruct the natural flow of rainwater towards the storm-water drain and cause severe waterlogging on the public road and at the entrance of the Petitioner's Premises, so as to ensure unobstructed discharge of rainwater into the municipal drain.

VI. Direct the concerned Respondent authority/authorities, in coordination with the concerned electricity distribution authority, to take **appropriate preventive and safety measures in respect of the electricity distribution box situated in front of the Petitioner's Premises**, so as to mitigate the risk arising from water accumulation in its vicinity;

VII. Award the **costs of the present proceedings** in favour of the Petitioner and against the Respondents.

2. The petitioner who appears in-person seeks to withdraw the present writ petition.
3. Accordingly, the petition is dismissed as withdrawn.
4. Needless to state, in the event any further cause of action arises in favour of the petitioner, he will be at liberty to approach this Court.
