W.P.(c) No. 32258 OF 2013-F

DATED THIS THE 27th DAY OF DECEMBER, 2013.

J U D G M E N T

Apprehension of the petitioner is that Ext.P5 objection submitted by him will not be considered in the timing conference which is convened by the respondents on 31-12-2013. This court finds no basis for such an apprehension. If the petitioner is an existing operator in the route in question, he has got every right to participate in the timing conference and to raise objection. Needless to observe that the respondents should consider such objection and take an appropriate decision.

2. Therefore the writ petition is disposed of with the above observations permitting the petitioner to participate in the timing conference.
