CORAM: HONOURABLE MR. JUSTICE PRABHAT KUMAR

ORAL ORDER

4 07-05-2015

Heard both sides.

Petitioner seeks bail in Kurhani P.S. Case No.
438 of 2014 registered under sections 328, 302 of the Indian Penal
Code.

The informant alleged that the petitioner took his
wife and daughter for treatment. But on the next day he got
information that his wife was killed. The daughter of the
deceased disclosed that the petitioner gave poison to the wife of
the informant. Learned counsel for the petitioner submits that he
happens to be relative of the victims as well as the informant.
The petitioner has got no motive to kill her. The deceased might
have taken poison. But from perusal of the first information
report it appears that the Anshu Priya daughter of the deceased

who is seven years old disclosed that petitioner administered poison. The viscera report is preserved for analysis. Viscera report shows death due to poisoning.

Considering the aforesaid facts, I am not inclined to enlarge the petitioner on bail. The same is rejected. The trial court is directed to expedite the trial and conclude the same within one year from the date of receipt/production of a copy of this order. If the trial is not concluded, the petitioner may renew his prayer for bail after one year.
