CORAM: HONOURABLE MR. JUSTICE DINESH KUMAR
SINGH
ORAL ORDER

03/ 03-07-2015

Heard learned counsels for the petitioner and
the State.

The petitioner being the husband of the
victim is languishing in custody since 18.10.2015 in a case
registered for the offences punishable under Sections 304B/34 of
the Indian Penal Code.

The accusation is of killing the niece of the
informant after four years of the marriage for non-fulfillment of
the dowry demand. It was also alleged that when the informant
reached to the petitioner house he was not allowed to see the dead
body as the accused wanted to dispose of the dead body but with
the intervention of the police the dead body was recovered.

It is submitted by learned counsel for the

petitioner that superficial injury has been found on the face which was not found to be cause of the death of the victim as a result the viscera has been preserved. It is further submitted that there is no accusation of demand of dowry soon before the death.

Considering the fact that the victim died after four years of the marriage and the thrust of accusation is against this petitioner, this Court is not inclined to grant bail to the petitioner in connection with Baheri P.S. Case No. 207 of 2014 pending in the court of learned Judicial Magistrate, Ist Class, Darbhanga.

Accordingly, the prayer for bail of the petitioner is rejected.

Let the trial be expedited.

However, the petitioner will be at liberty to renew his prayer for bail, if the trial is not concluded within a period of one year.
