CORAM: HONOURABLE MR. JUSTICE PRABHAT KUMAR JHA
ORAL ORDER

3 15-04-2015

Heard both sides.

Petitioners Amarjeet Kumar @ Chikku and Sri Kant
Singh seek their bail in Gaurichak P.S. Case No. 31 of 2014
registered under Section 302 and 324 of the Indian Penal Code.

The informant alleged that his son Pravin Kumar,
aged about 4 years, was playing near his house and from there he

was missing. The informant suspected that Gopal Kumar might have kidnapped his son. A search was made. On the next day, the dead body of the boy was found inside the boundary wall of Mukhdeo Singh.

Sri Krishna Prasad Singh, learned senior counsel for the petitioners, submits that the petitioners are brother and father of Gopal Kumar. There is no eye witness of the occurrence. A banyan of Gopal Kumar stained with blood was recovered from his room and there appears no evidence to show that the petitioners in any way participated in the killing of the minor boy.

There appears that the boy was missing and thereafter a search was made but the boy could not be traced out. A blood-stained banyan of Gopal Kumar was found from inside the house of the petitioners. From perusal of the supervision note, it appears that blood was also found on the water pot kept near the house of the petitioners. There appears that the boy was killed inside the house and thereafter his dead body was thrown in the boundary wall premises of Mukhdeo Singh. The facts disclosed that a four year child was brutally killed on account of some family dispute. Hence, I am not inclined to enlarge the petitioners at this stage on bail. Accordingly, the same is rejected.

The trial court is directed to expedite the trial and

conclude the same within nine months from the date of receipt / production of this order. If the trial is not concluded within the stipulated period, the petitioners may renew their prayer for bail firstly in the trial court.
