For the Respondent/s: Mr. (GP11)

CORAM: HONOURABLE MR. JUSTICE AJAY KUMAR TRIPATHI

ORAL JUDGMENT

Date: 10-08-2015

Writ application is dismissed because death of the father of the petitioner happened in the year 1998. In addition to that, there are various controversial certificates which have been used to beget appointment under compassionate head.

Looking at the period when father of the petitioner died and the matter which is pursued now, the very object and purpose for providing compassionate appointment is lost.

Writ application is dismissed.
