CORAM: HONOURABLE MR. JUSTICE SUDHIR SINGH
ORAL ORDER

2 08-06-2015 The petitioner is languishing in custody since

15.02.2015 in connection with Complaint Case No.545 of 2013

for the offences instituted under Sections 420 and 120B read with

Section 34 of the Indian Penal Code.

Heard learned counsel for the petitioner and learned
counsel for the State.

The prosecution story, in brief, is that the complainant
filed a complaint stating therein that on the pretext of her
treatment, accused persons including the petitioner brought her at
Chapra where her thumb impression was taken and they got the
sale deed executed in their favour by the complainant. In this way,
they cheated the complainant.

It has been submitted on behalf of the petitioner that the petitioner has been falsely implicated in the present case due to enmity.

It has been submitted on behalf of the State that the petitioner is accused as many as in 14 cases and most of the cases are for the offences under Section 420 and other sections of the Indian Penal Code.

Considering the aforesaid facts and circumstances of the case, I am not inclined to grant bail to the petitioner. The same is rejected. It is further directed that the learned trial court should take all necessary steps for concluding the trial of the present case within a period of one year.

(Sudhir Singh, J)
