ORAL ORDER

3 26-02-2015

Heard both sides.

The petitioner seeks bail in Bidupur P.S. Case
No. 295 of 2014 registered under section 307 and other allied
sections of the Indian Penal Code.

The informant named seven persons in the first
information report and alleged that the petitioner was armed with
sickle.

Learned counsel for the petitioner submits that
the informant of this case did not make any specific allegation
against the petitioner. Abdhesh Kumar got one injury on the right
side scalp and the injury was found to be grievous. Petitioner is in
jail since the month of December, 2014.

On the other hand learned counsel for the

informant as well as the A.P.P. alleged that during the course of investigation the witnesses have stated that it was the petitioner who assaulted the informant with sickle and the corresponding injury was found . The petitioner is alleged to have assaulted the informant on head and the injury found on the head of the informant is grievous. Hence, I am not inclined to enlarge the petitioner on bail. Accordingly, the same is rejected. The petitioner may renew his prayer for bail after remaining six months in jail.
