ORAL ORDER

3 13-04-2015 Heard both sides.

The petitioner seeks bail in a case under section 302 and other sections of the Indian Penal Code.

The cousin of the informant informed that his son, the deceased, was not well. The informant and other villagers enquired from Krishna Pandit, petitioner, who disclosed that he would get the dead body at 3.30 A.M. On the disclosure of petitioner Krishna Pandit the dead body was recovered.

Learned counsel for the petitioner submits that the deceased died due to electrocution and as also opined by the

doctor in the post mortem report. The informant and other witnesses have very categorically stated that the petitioner and others killed the son of the informant.

Considering the aforesaid that son of the informant was killed and his dead body was recovered on the disclosure of the petitioner, I am not inclined to grant bail to the petitioner. Accordingly the same is rejected.

The trial court is directed to expedite the trial and conclude the trial within one year. If the trial is not concluded, the petitioner may renew his prayer for bail, if so advised, after one year.
