CORAM: HONOURABLE THE CHIEF JUSTICE

ORAL ORDER

7 20-01-2015 The petitioner is accused No.1 in Terhagachh

P.S. Case No.111/13. She is accused of committing the

murder of the second wife of her husband by

administering poison. The petitioner was arrested on

14.11.2013. She filed B.P. (k) No. No.40/14 before the

court of Addl. Sessions Judge, Kishanganj which was

dismissed through an order dated 22.3.2014.Hence, this

application for bail under Section 439 of Cr.P.C.

The petitioner contends that the investigation
into the case has been completed and the police has
filed the final report; and that there is no necessity to
continue the petitioner in prison.

Learned A.P.P. opposed the application stating
that the viscera report is still awaited.

The accusation against the petitioner is, no doubt, serious. The fact, however, remains that the charge-sheet has been filed, and it is not alleged that the petitioner is of any notorious character or that she has committed any other crime. The Court is of the view that the petitioner deserves regular bail.

The petitioner is directed to be released on bail upon furnishing the bail-bonds of Rs.10,000/- (ten thousand) along with two sureties of the like amount each to the satisfaction of C.J.M., Kishanganj in connection with Terhagachh P.S. Case No.111 of 2013 (G.R. No.1739 of 2013), subject to the condition that she shall report to the concerned police station once in every month between 9:00 and 10:00 a.m. on the 1st Sunday.
