CORAM: HONOURABLE MR. JUSTICE PRABHAT KUMAR JHA
ORAL ORDER

3 17-09-2015

Heard both sides

The petitioner seeks bail in a case under Section 302
and other sections of the Indian Penal Code.

Informant Sangita Devi alleged that Budhhu Ram,
Laxmi Ram and other male and female members of her village
sprinkled Kerosene Oil on her and her 10 months old daughter and
set them ablaze. The daughter of the informant died immediately
thereafter. The informant was under medical treatment. The
informant also named the petitioner as one of the persons, who set
her and her daughter ablaze. Later on, the informant also
succumbed to burn injuries.

Learned counsel for the petitioner submits that there
is no eye-witness of the occurrence. The informant got 90% burn
injuries. It is unbelievable that in such a condition she would

speak. From Para 54 of the case diary, it would appear that the husband of the informant made his statement under Section 164 Cr. P.C. and disclosed that Budhhu Ram was working with him at Punjab and he returned along with him, but it appears from perusal of the F.I.R. itself that the informant made very specific allegation that Budhhu Ram, Laxmi Ram and other male and female members and the wife of Budhan Ram, the petitioner sprinkled Kerosene Oil and set her and her daughter ablaze and both died.

Having considered the facts aforesaid, I am not inclined to enlarge the petitioner on bail in Udakishunganj P.S. Case No. 67 of 2014. Accordingly, the same is rejected.
