CORAM: HONOURABLE MR. JUSTICE MIHIR KUMAR JHA
ORAL ORDER

2 10-02-2015 Heard learned counsel for the parties as with regard to
the following relief prayed in this writ application:-

"For quashing the order no. P8-1/2014
(Establishment) dated 29.11.2014 passed by
Commandant 84 Batalian CRPF, FCI camp Gaunchatta
whereby and whereunder he was dismissed from
service with immediate effects as well as benefit/award
acquired during service period as a GD constable were
seized without considering its factual aspect as well as
legal also and as such punishment awarded/imposed are
serious not proportionate with charges when it requires
sympathetic consideration."

2. Having regard to the fact that the petitioner, while
being posted in Central Reserve Police Force (C.R.P.F.) at Jammu,

was dismissed from service and against such order, the petitioner also filed an appeal at Jammu and the appellate authority before whom the appeal is said to be pending is also at Jammu, this writ application filed in this Court on the basis of his now residing in the State of Bihar, must be held to be wholly ill-advised and misconceived inasmuch as no part of cause of action has arisen within territorial jurisdiction of this Court.

3. It is, accordingly, dismissed.
