CORAM: HONOURABLE MR. JUSTICE AJAY KUMAR
TRIPATHI
ORAL ORDER

3 27-04-2015

This Court fails to understand as to how the Bihar School Examination Board can act unilaterally by annulling marks awarded to the petitioner in matriculation examination in the examination conducted in the year 2004. When the petitioner demanded the original certificate and on failure to beget the same, he filed this writ application. Now a plea is taken as to the reason why such cancellation was done.

This cancellation has been done behind the back of the petitioner. The cancellation has civil consequences for the petitioner because based on the matriculation result the petitioner has gone ahead and acquired higher degrees. There shall be serious fall out if what has been stated by the Examination Board

is accepted on the face value.

There is an obligation upon the Examination Board, therefore, to issue final certificate to the petitioner with regard to the matriculation examination or issue a notice to him in the matter, if they are so advised. If the Examination Board decides to embark upon the second recourse, the whole exercise must be completed within eight weeks from today.

This writ application is allowed with the observation aforesaid.
