**CORAM: HONOURABLE MR. JUSTICE CHAKRADHARI SHARAN

ORAL JUDGMENT

Date: 30-03-2015

The present writ application has been filed seeking following
directions:-

- “1. For issuance of appropriate writ or writs, order
or orders, direction or directions, directing the respondents
not to disturb the petitioners of their peaceful possession
over the land in question and further restraining the
respondents during pendency of this application from
entering over the land in question particularly at the time
of harvestation of the paddy crops grown by the
petitioners on the land in question.
3. That the petitioners are the citizen of India. The
petitioner No. 2 is the brother-in-law of the petitioner

No. 1 and both the petitioners have purchased the land in question on the same date from the same vendors and intend to file the instant writ application jointly in this Hon’ble Court.”

From the pleadings in the writ application it appears that as a matter of fact there is dispute with respect to the petitioners’ title over the land in question which cannot be adjudicated upon in a proceeding under Article 226 of the Constitution of India. They will be, however, at liberty to approach Court of competent jurisdiction, for appropriate relief, as may be advised.

This application is disposed of accordingly.
