**CORAM: HONOURABLE MR. JUSTICE AHSANUDDIN AMANULLAH**

**ORAL JUDGMENT**

**Date: 28-09-2015**

Heard learned counsel for the parties.

The dispute in the present matter now remains with regard to  
payment of 45 % arrear of salary.

It is an admitted position that the fund for payment of the  
remaining 45% has already been released by the State Government,  
however, subject to the rider of verification of the pay scale by the  
State Government.

In view of the aforesaid position, the writ petition stands  
disposed off with a direction to the respondent-University to make

payment of the remaining arrears of salary to the petitioner within a period of three weeks from the date of production of a copy of this order before the respondents No. 6 and 7. If in the past, the pay and other emoluments of the petitioner had been verified by the State Auditor deputed to the University, then the State cannot repeatedly ask for verification of the same at every stage while releasing funds. Once, an agent of the State Government, i.e, the Auditor deputed by it, has verified the pay scale of the petitioner, there cannot be repeated re-verifications. However, if in the past there was no verification of the pay-scale made by a Government Auditor, the same shall now be done within three weeks from the date of production of a copy of this order before the respondents No. 3 and 6. In such a case, after verification, the due amount, if already not paid, shall be paid to the petitioner within three weeks thereafter.
