The issue raised by the petitioner is also being followed up under Right to Information Provisions which have been invoked and initiated by the petitioner.

For the same cause, two parallel proceedings are not

required at the same time. The questions and doubts which the petitioner has raised relates to an earlier period. There is a change in the administration as well as the head of the institution. Let the petitioner bring these anomalies to his knowledge so that the current Principal can make sure that such illegalities do not crop up again as is put up for judicial scrutiny again.

Writ application is disposed of with the above observations.
