**ORAL ORDER**

5      22-12-2015

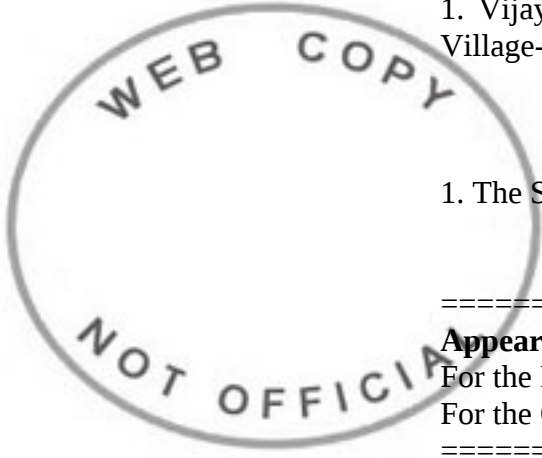

Heard learned Counsel for the petitioner and learned

Counsel appearing on behalf of the State.

Petitioner is apprehending his arrest in connection with  
 Beur P.S Case No. 131 of 2014, registered for offences punishable  
 under Sections 302, 34, 386, 384, 342, 341, 109 and 114 of the  
 Indian Penal Code and under Section 27 of the Arms Act.

Learned Counsel for the petitioner submits that the name  
 of the petitioner has only been brought into this case because he is  
 the father of the accused Chandan Yadav. He further submits that  
 though there is a mention in the FIR that the petitioner had also  
 fired, the postmortem report indicates that there was only one  
 wound of entry and one wound of exit, thus the allegation that the  
 petitioner also fired is misconceived.

Learned Counsel appearing on behalf of the State submits

that there is a history of litigation between the parties and there were case and counter case which lead to the bitter fight between the parties and the father of the petitioner in the present case is also actively participating in the same as has surfaced in the several paragraphs of the case diary.

Considering the nature of allegation and severity of the acts of criminality being indulged by the parties, I am not inclined to grant anticipatory bail to the petitioner, which is, accordingly, rejected.
