CORAM: HONOURABLE MR. JUSTICE AJAY KUMAR TRIPATHI

ORAL JUDGMENT

Date: 02-02-2015

With a clear and categorical finding emerging in the
adjudication made by the District Magistrate, Katihar in the manner
the selection of the petitioner has been done earlier has been dealt
with in quite a detail in the impugned order contained in Annexure-
4. Since the object and purpose of selection of Aanganbari Sevika is
to select a person, who is resident of that ward and can deliver the
object and purpose of setting up of such centres and provide meal to

the target group and not only providing employment to unemployed,
the findings being what they are is not required to be interfered with.
If Annexure- 4 is not interfered with then Annexure- 6 has to stand.
No interference is required.

Writ application is dismissed.
