ORAL ORDER

3 09-11-2015 Heard both sides.

The petitioner apprehends his arrest in Bhawanipur P.S.
Case No. 34/2015, registered for the offences punishable under
Section 302 and 120B of the Indian Penal Code.

The father of the deceased alleged that Md. Imtiaz
kidnapped Shaheen Parween and solemnized marriage with her.
The case of kidnapping was lodged. The first wife of Md. Imtiaz
also lodged a case against Md. Imtiaz and Shaheen Parween the
daughter of the informant, thereafter, Shaheen Parween started
living with her husband and other family members.

It is alleged that Md Imtiaz and other family members
strangled his daughter to death.

It is submitted that Md. Imtiaz and others have already

been granted regular bail. Askari Khatoon is the first wife of Md. Imtiaz has also been granted anticipatory bail. Anticipatory bail petition of Perwez Alam brother of Md. Imtiaz was rejected.

It is submitted that petitioner is the step son of the deceased and he has no concern with the family affairs.

Taking into consideration of the fact that the informant made specific allegation that Imtiaz Ali and his son from the first wife and other family members including the first wife strangled and smothered his daughter to death and the fact that the anticipatory bail petition of the similarly situated co-accused Perwez Alam has already been rejected vide order passed in Cr. Misc. No. Cr. Misc. No. 27313/2015, I am not inclined to enlarge the petitioner on anticipatory bail. Accordingly, the same is rejected.
