ORAL ORDER

4 01-12-2015 Heard both sides.

The petitioner apprehends his arrest in Chutiya P.S. Case
No. 13/2015, registered for the offences punishable under Section
302 of the Indian Penal Code.

The father of the deceased made allegation that his
daughter was married with the petitioner 17-18 years ago. He got
information from the brother of his son-in-law that his daughter
committed suicide by hanging herself.

Learned counsel for the petitioner submits that informant
is not the eye-witness of the occurrence. There is no evidence to
show that the petitioner was ever subjecting his wife to torture.
The son of the deceased and the petitioner stated that some

altercation took place between the husband and wife. The petitioner went outside his home thereafter, his wife committed suicide.

Having considered the fact that the petitioner picked up the quarrel with his wife and consequently, his wife committed suicide by hanging herself, I am not inclined to enlarge the petitioner on anticipatory bail. Accordingly, the same is rejected.

However, the petitioner, if so advised, may surrender before the court below within four weeks from the date of receipt/production of a copy of this order and pray for regular bail and his prayer shall be considered on its own merit without being prejudiced by this order and shall dispose of the regular bail petition preferably on the same day.
