CORAM: HONOURABLE MR. JUSTICE MIHIR KUMAR JHA
ORAL JUDGMENT

4 20-03-2015 Heard learned counsel for the parties.

Having regard to the fact that the learned counsel
for the petitioner has failed to point out anything wrong
in the impugned order of transfer of its being either
without jurisdiction or contrary to the Rules, this Court
does not find any reason to interfere with the same.

That being so, this application is wholly
misconceived and ill advised and is, accordingly,
dismissed.

Before parting with, this Court must however

make it clear that if the petitioner has been given promotion but he wants to remain on the same post after giving up his promotion he may have the liberty to do so, but even in that case he cannot claim to continue in the same place where he was /is posted prior to his promotion and posting.
