CORAM: HONOURABLE MR. JUSTICE SAMARENDRA
PRATAP SINGH
ORAL ORDER

2 14-10-2015 The petitioner, who happens to be the husband of the

deceased, apprehends his arrest in a case under sections

304B/34 of the Indian Penal Code.

The petitioner submits that it would appear from the

order of the learned Sessions judge that the case was found to

be true under section 306, though, it is alleged that at the

instigation of petitioner, his mother and brothers administered

poison to the deceased. The petitioner further submits that

admittedly there is no allegation that he administered poison.

He next submits that in fact the deceased committed suicide as

his legs are deformed and he is handicapped to the extent of

45% percent.

Grounds of the petitioner may be good for regular bail.

In the facts of the case, let the petitioner surrender and seek regular bail, which would be disposed of on the same day taking into account that admittedly he did not administered poison and he is 45% handicapped.
