CORAM: HONOURABLE MR. JUSTICE MIHIR KUMAR JHA
ORAL ORDER

2 28-09-2015

Heard learned counsel for the parties.

Having regard to the fact that this Court has already held in
large number of cases including CWJC No. 2633 of 2014 disposed of
on 10.2.2015 that no writ application shall be maintainable against the
BISCOMAUN, this application also is dismissed.

This dismissal of this application, however, will not come
in the way of the petitioner in approaching the concerned
authority/forum for redressal of the grievance relating to payment of
post retirement benefit of the petitioner.
